

ESSEX PORT OPERATIONS

TWL owns and operates the port of Mistley, offering ship-owners and clients a competitive and efficient solution for the import and export of goods. Situated on the south bank of the River Stour, 10 miles inland from Harwich, Mistley provides the ideal location for short sea, coastal and transshipment cargoes, with excellent links to Northern Europe, the Baltic, Scandinavia and the main UK hubs.

The port handles a diverse range of cargoes including bulks (grain, fertilisers, aggregates and industrial minerals), forest products, granite, steel and metals, and various bagged, palletised & bundled cargoes.

- 4 main berths including 2 deeper water berths.
- Vessels up to 3,800 DWT, 5.0m draft (subject to tides), LOA 120m.
- 7,000 m² undercover storage & open storage adjacent to the quay. A further 11625 m² of 'off-dock' storage is available.
- UK haulage.
- Container devanning and loading.
- Palletising.
- Rip & tip & tanker loading.
- Customs approved warehousing.
- Full Stock control and documentation.
